Minutes

Agenda item: Demo

Presenter: Everyone

Discussion:

Website was a demo to Dr. Bonnell. All functionalities shown.

Conclusions:

There were some comments given from Dr. Wei, and also it was asked for the web application to be deployed.

Some of the things to be fixed:

- Bulk insertion default password in config file
- Displaying current event data when editing event
- Deployment
- Loading icon when using bulk insertion
- Bonnell needs to create an AWS account and send us the login information
