Truck Detective Project Meeting |MINUTES

Meeting date: *02/19/2021* | Meeting location: *Zoom*

Meeting called by	Ben Ruelas	**Attendees:** - Ben Ruelas - Dorian Dhamo - Greg Adams - Hy Dang - Minh Nguyen - Trang Dao
Type of meeting	Team Meeting	
Note taker	Trang Dao	

AGENDA TOPICS

- Ben and Hy are refactoring the Truck detection code turning them into separate modules rather than one large python notebook.

- Minh, Trang, and Dorian are all working on debugging the Sales Prediction code Greg gave us

- Not much discussed, staying in communication with Greg has been hard but doing our best
