User Manual

Introduction:

Welcome to the Keepsake App! We are thrilled to have you join our community of storytellers. This user manual will provide you with everything you need to know to get started.

Getting Started:

- ➔ To use the Keepsake App, all you need is a web browser.
  - ◆ There's no need to download anything from the App Store or Google Play Store - simply visit the Keepsake App website and create an account by providing your email address and creating a password.
- ➔ Once you've created an account, you'll be asked to create a profile where you can add a profile picture and some basic information about yourself.

App Infrastructure:

- ➔ The Keepsake App has three main website pages: Family page, Feed page, and Account page.
  - ◆ The Family page displays who the family lead is and your respective family members.
  - ◆ The Feed page is where you can view and interact with stories that have been shared by your family members. You can view these stories directly on the Feed page without having to click on them.
  - ◆ Finally, the Account page is where you can manage your account settings and preferences.

Creating a Keepsake:

- ➔ To create a new keepsake, navigate to the Feed page and click on the "Create a Recording" button.
- ➔ Give your post a title, and then use the editor to record your voice telling a story or memory.
- ➔ Once you're done, click on the "Post" button to save your post to the feed.

Viewing a Keepsake:

- ➔ To view a keepsake, simply navigate to the Feed page and find the post you want to listen to.
- ➔ The posts are already displayed on the page, so you don't need to click on them to view them.

➔ Once you've found the post you want to listen to, simply click on the "play" button to start listening.

Deleting a Keepsake:

➔ If you want to delete a keepsake, navigate to the Feed page and find the post you want to delete.
➔ Click on the "Delete" button and confirm that you want to delete the post.
➔ Once you confirm, the post will be deleted from the feed.

We're currently working on adding sharing functionality to the app, so stay tuned for updates on that feature.

We hope this user manual has been helpful in getting you started with the Keepsake App. If you have any questions or need further assistance, please don't hesitate to reach out to our support team.
